URBAN OUTFITTERS
INTERNSHIP

URBAN OUTFITTERS INTERNSHIP

Designed jeans for Urban's Spring 2022 line. They were eventually sold in stores, including an artist recognition tag. To this day they are top rated on Urban's website.

URBAN OUTFITTERS INTERNSHIP

Designed and produced samples with hand painting/drawing and machine appliqué. Featuring Y2K inspired doodle jeans from my intern project.

TRAGIC ELEGANCE

Senior Collection

TRAGIC ELEGANCE

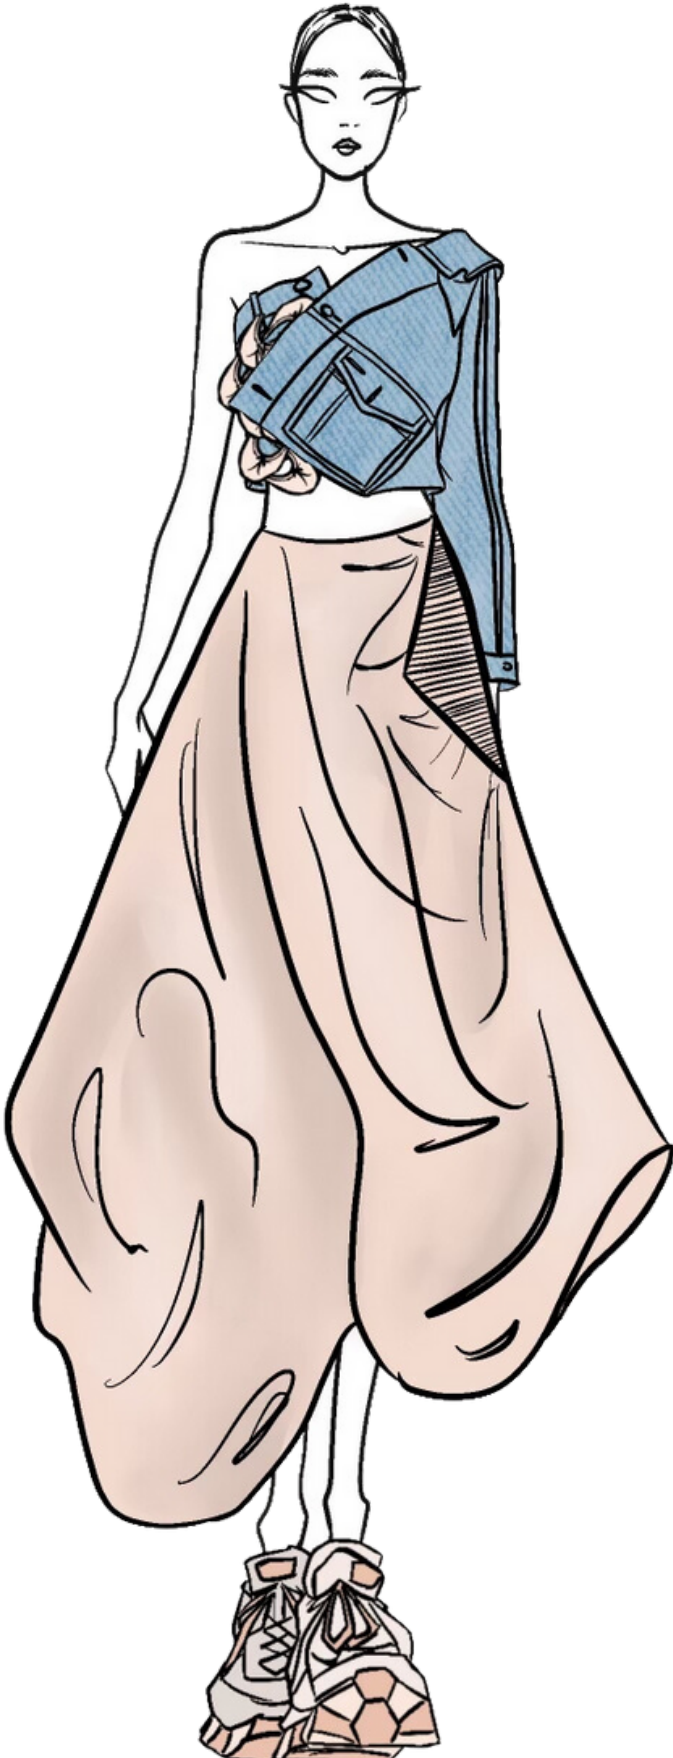

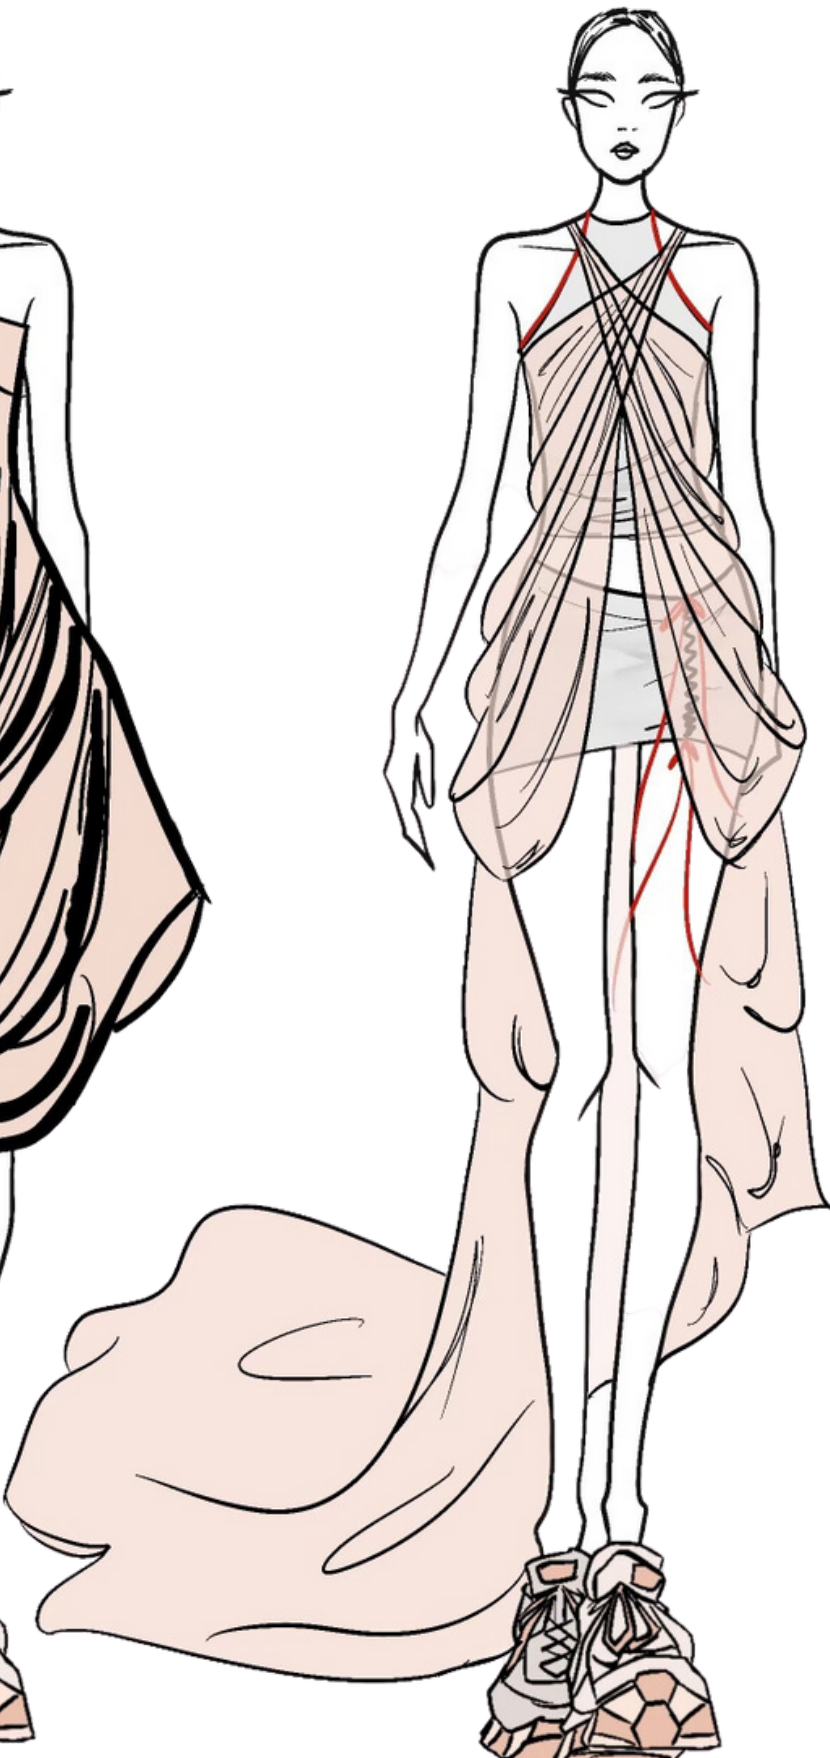

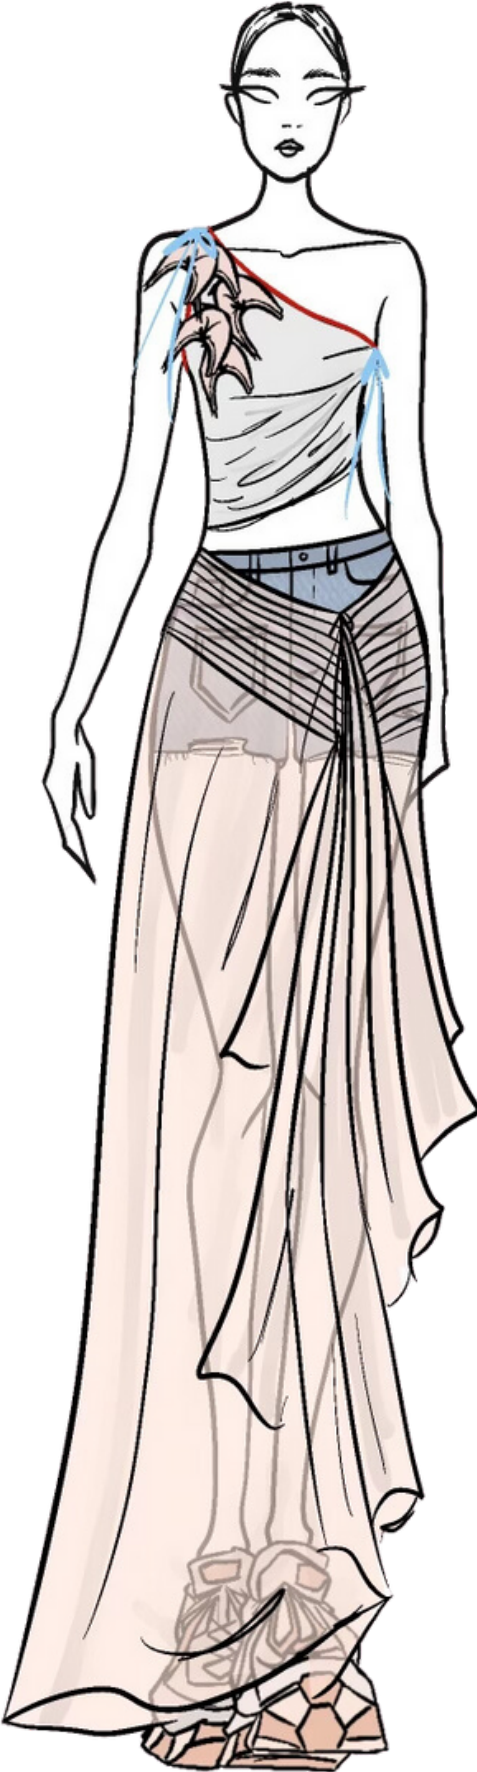

Tragic Elegance is my senior collection that I will be working on throughout the year. Discarding the theatrics and focusing on the realities of growing up through a ballet academy. Highlighting breaking the body for unattainable perfection.

**DECONSTRUCT TO
RECONSTRUCT**

DECONSTRUCT TO RECONSTRUCT

For this project we were instructed to produce a garment made entirely from thrifted garments

DECONSTRUCT TO RECONSTRUCT

To produce this garment I draped the top and pleated the fabric together. I then used a re-roll technique to create the fabric for the skirt of the dress

CUSTOM DENIM

CUSTOM DENIM

Custom denim pieces for two separate clients. All hand painted and machine appliqués

SEXY BUT FOR MEN

SEXY BUT FOR MEN

"Sexy but for Men" is a styling project to influence men to be more adventurous in their style. Featuring a leather harness that I designed and produced.

SEXY BUT FOR MEN

My team and I produced a magazine-style spread of photos and the above video. This project was nominated by SCAD for the **2023 College Television Awards (EMMYS)** and the **2023 International Design Awards**. [Click to Play](#) or view video on Instagram @cheapfitbyiz.

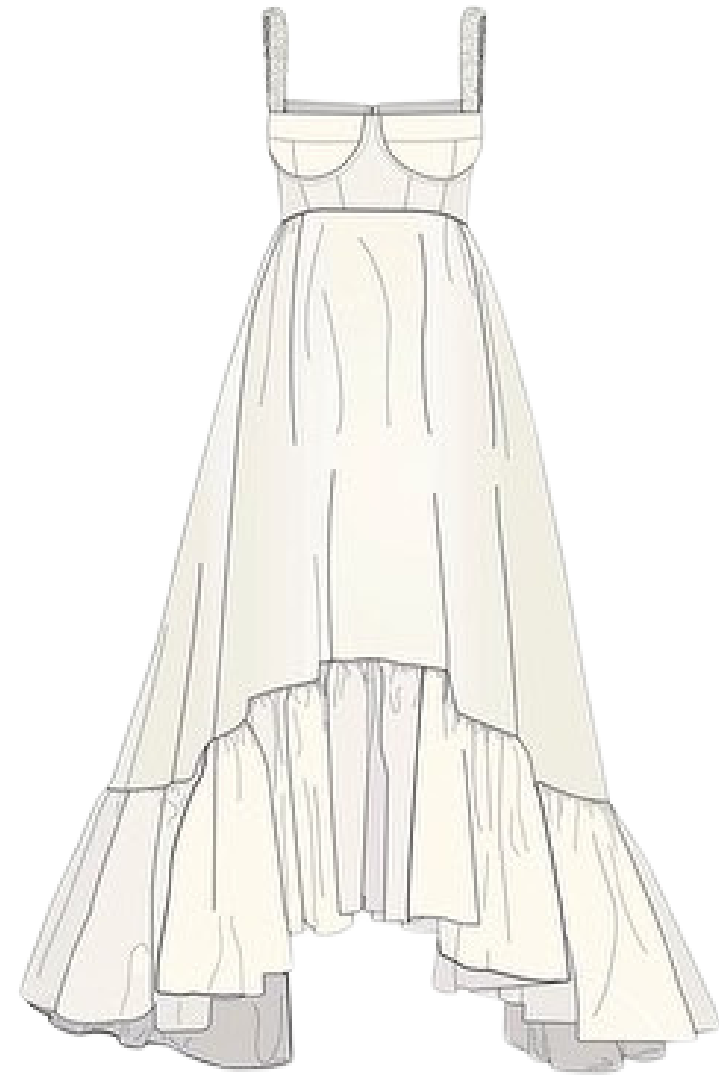

The background is a soft, pink watercolor wash. A thin, hand-drawn pink line forms a rectangular frame around the text. The text is centered and reads "FLOATING FLATS" in a bold, black, serif font, arranged in two lines.
